

**Public Consultation Event  
Invitation from ZeroC  
to help shape the development of land at**

**Old Sarum Airfield, Salisbury**

**On Tuesday 24th and Wednesday 25th September 2013**

**To be held at**

**Skies Cafe, Old Sarum Airfield, Old Sarum, Salisbury, SP4 6DZ**

We would like to invite you to our first public consultation event on 24<sup>th</sup> – 25th September 2013, where you will have the opportunity to help shape our development proposals, prior to a planning application being submitted.

Our ambition is to build a highly sustainable, low density development over three perimeter areas around the historic airfield with a mix of residential and commercial development, to complement both the setting of Old Sarum, and the growing local community.

For those who wish to actively participate, and who can spare their time, day one will start with a guided tour of the site at 10am, followed by short presentations, and a Design Workshop between 14.15pm and 17.15pm. We enclose a programme overleaf, and encourage as many to attend as possible. Public transport is available at the nearby Old Sarum Park & Ride, and sign-posted parking will be available within the airfield.

Those with less time are welcome to attend any part of the two day event. The ZeroC team will be on hand to answer questions, and comment forms will be available to record salient issues or concerns, which ZeroC will formally address.

The emerging issues from the workshop will be presented at a second public session (again open to all) on Wednesday 25<sup>th</sup> September between 17.30pm and 18.30pm. They will also be recorded and added to our consultation website [www.old-sarum.co.uk](http://www.old-sarum.co.uk)

At ZeroC, we pride ourselves in delivering new homes for communities which integrate into the neighbourhood, which stand the test of time, and which local stakeholders can be proud of. If we are to get our plans ‘right’ we need your support and your local expertise.

Please R.S.V.P to Kate Baker – 01305 250427 or [k.baker@zeroholdings.co.uk](mailto:k.baker@zeroholdings.co.uk)

I look forward to meeting you, at some point over this two day event.

Yours sincerely,

Kim Slowe

Managing Director, ZeroC
